For **simple recordings at Klangmanufaktur** we recommend using one of our Steinway model Ds in our biggest rehearsal studio, Studio E. You must bring your own recording equipment. Choice of instrument and individual tunings by arrangement. In order to avoid background noise, we suggest to record during evening/night, on Sundays or public holidays and to rent the entire studio section. The entire section costs € 28 per hour at night and € 87 per hour during the day. More information in the info sheet for rehearsal studios.

We also rent out Studio E for **events at Klangmanufaktur** and will be happy to make you an offer upon request. The price consists of the rental (see info sheet for rehearsal studios) and the individual time required (tuning, rearranging pianos, assembling chairs, etc).

All prices include 19 % VAT.
