For **simple recordings at Klangmanufaktur** we recommend using one of our Steinway model Ds in our biggest rehearsal studio, Studio E. You must bring your own recording equipment. Choice of instrument and individual tunings by arrangement. In order to avoid background noise, we suggest to record during evening/night, on Sundays or public holidays and to rent the entire studio section. The entire section costs € 13 per hour at night and € 76 per hour during the day. More information in the [info sheet for rehearsal studios](#).

We also rent out Studio E for **events at Klangmanufaktur** and will be happy to make you an offer upon request. The price consists of the rental (see [info sheet for rehearsal studios](#)) and the individual time required (tuning, rearranging pianos, assembling chairs, etc).

**Public dress rehearsals at Klangmanufaktur** are free of charge and take place plain and simple in our production hall or in Studio E. A paid concert must then take place in the Hamburg area. Advertisements are made by the musicians, who have to fill about 10 seats.

All prices include 19 % VAT.
