

REHEARSAL STUDIOS

For specific work on sound, rehearsals, music lessons and simple recordings, we are offering five rehearsal studios in different sizes, directly adjacent to our workshop. The studios are all equipped with high quality Steinway grand pianos from Klangmanufaktur. Access around the clock, 365 days a year. You can reach Klangmanufaktur best from U Burgstraße by foot (7 min).

RECORDINGS

For recordings, we recommend using one of our Steinway model Ds in Studio E. Since our rooms are not soundproof, we recommend recording during the night as well as booking all other studios during the recording. This will avoid background noises. You will find more information in the [info sheet for concerts and recordings](#).
